

German Fire Mark Club Convention in Berlin

Following is an invitation to all FMCA members to attend the German Fire Mark Club's Convention in Berlin next May. It will be an international event with fire mark collectors attending from several countries, and for those attending, it will be a great opportunity to meet other collectors with whom you may have the opportunity to exchange fire marks in the future. In addition to the countries mentioned in the invitation, collectors in Spain have also been invited. The last international gathering of fire mark collectors was in Portugal in 2013, where collectors from 7 countries attended and it was a lot of fun. Berlin is a great city with a lot to see.

The club has reserved a block of 40 double rooms at Grimm's Hotel am Potsdamer Platz, Flottwellstr. 45, 10785 Berlin at a firm price of 126 Euros per night, including breakfast and taxes. This block of rooms is being held until April 4th, 2018, after which this rate will no longer be guaranteed. Therefore, if you think you will be going, it would be advisable to reserve a room as soon as possible. Please note that if you wish to arrive before May 4th, the rate will be 189 Euros due to an international fair in Berlin. However, you can stay beyond May 6th at our special rate of 126 Euros. There is no charge if you have to cancel before one week prior to May 4th. Reservations must be made in writing using the form below. Cancellations must also be made in writing. It is important to note that there are two Grimm's Hotels in Berlin, the other is in Berlin Mitte, so be sure you use the Flottwellstrasse address. The Hotel telephone number (from USA) is 011-49-30-2580080; Fax 011-49-30-2580041111; and Email: potsdamer-platz@grimms-hotel.de

All other details of the venue for the 3 day event will be announced in the near future. Lore and I will be attending, and we would like to see as many of you there as possible. So mark your calendars and plan to come. Please contact me if you have any questions and I will be happy to assist in any way I can.
